Bir gün bir soru duydum:

"Kendini arayıp, bulabilir misin?"

Kendimi arayacağım yer, içimde bir yer heralde.
Bulmam gereken içimdeyse, bulup ne yapacağımı
hiç anlamadım.

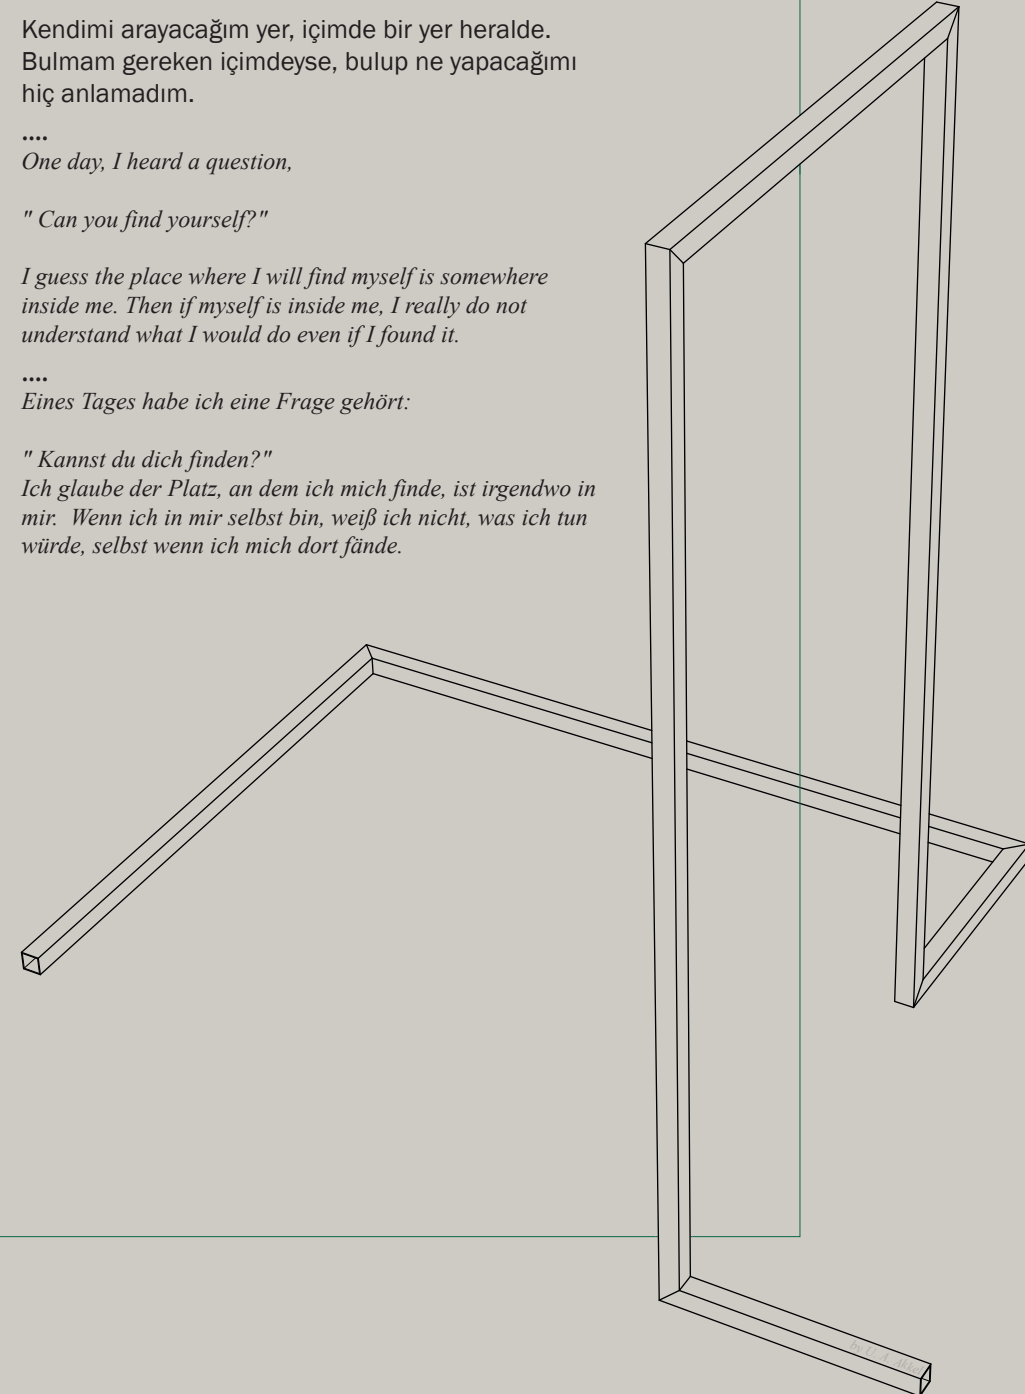

....
One day, I heard a question,

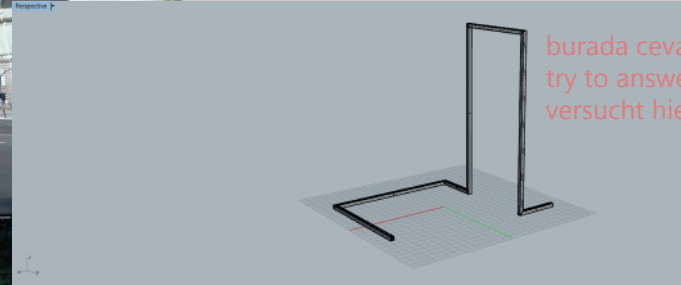

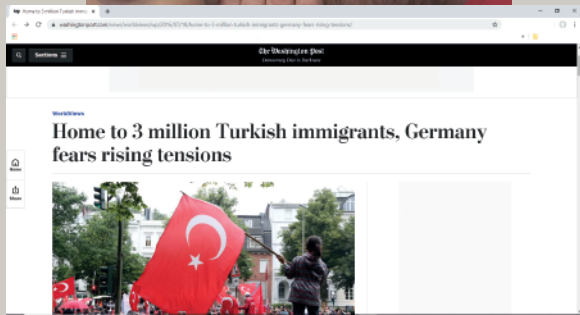

" Can you find yourself?"

*I guess the place where I will find myself is somewhere
inside me. Then if myself is inside me, I really do not
understand what I would do even if I found it.*

....
Eines Tages habe ich eine Frage gehört:

" Kannst du dich finden?"
*Ich glaube der Platz, an dem ich mich finde, ist irgendwo in
mir. Wenn ich in mir selbst bin, weiß ich nicht, was ich tun
würde, selbst wenn ich mich dort fände.*
